The Defendant entered the plea(s) indicated. It is adjudged that the Defendant has been convicted of and is guilty of the offense stated above, committed in the manner and form set forth in the charge.

The court finds that the Defendant comes within the classification of a young adult defendant under HRS Section 607 and that in lieu of any other sentence of imprisonment authorized by law, defendant should be sentenced to a special indeterminate term of imprisonment. The court is of the opinion that such special term is adequate for defendant's correction and rehabilitation and will not jeopardize the protection of the public.
